Annual Report  
of the  
TOWN OF STODDARD  
New Hampshire  
1989

**Town Clerk:** Joan Read 446-2203

Hours: Tuesday & Thursday 9AM to 2PM & 4PM to 6PM  
or by Appointment

**Tax Collector:** Charlotte H. Pratt 847-3212

Hours: Thursday 1PM to 3PM  
or by Appointment

**Town Office:** 446-3326

Monday 7PM to 9PM - Selectmen's Meeting

Wednesday 10AM to 5PM - Secretary available  
(home 446-2284)

**Trash Transfer Station**

Hours: Saturday & Sunday 9AM to 4PM

Summer Hours: June through Labor Day

Saturday & Sunday 9AM to 4PM

Wednesday 1PM to 4PM

**Police**

Fire Mutual Aid 352-1100

**Fire & Rescue**

Fire Mutual Aid 352-1100

**Fire Warden - Burning Permits**

Lewis Clark - Warden 446-3480

Joseph Sarcione - Deputy Warden 446-7144

Patricia Lamothe - Deputy Warden 446-7059

**Animal Control**

Joan Zelasny 446-7502 or 446-3302

**Library Hours**

Thursday 7PM to 9PM

**Stoddard Conservation Commission**

Meetings as needed - to be posted

**Stoddard Historical Society**

Meet Third Monday of April, June, August & October  
7:30 at Town Hall

**Stoddard Planning Board**

Meet First Tuesday of Month at Town Hall  
7PM

**Stoddard School Board**

Meet Second Wednesday of Month at

James M. Faulkner Elementary School  
at 6:30PM

*Anyone who wishes to appear before the Board should, if possible, contact a Board Member a week prior so that his name may be placed on the Agenda.*

Board Members: Nancy Cressy: 446-7159; James Taylor: 446-7040; Nancy Murray

**Stoddard Congregational Church**

Opens Last Sunday of June through August

Services Begin at 10:00 AM

**Stoddard Zoning Board of Adjustment**

Hearings when needed

To be Posted

Anyone wishing a hearing by the ZBA should contact  
Robert Cowie, Chairman at  
446-3325

### **IN MEMORY**

Barbara K. Cutting

February 12, 1939 - May 1, 1989

Barbara Cutting served as Teacher from September 1978 through April 1989 at the James Faulkner (Stoddard) Elementary School. Besides teaching, she handled many of the administrative duties, such as applying for grants. Barbara was instrumental in bringing the Artist in the Schools program to Stoddard. An extension of this program was the Mentor Project with Emile Birch. The result of this project is the mural which now hangs in the Town Hall.

Barbara also served as Supervisor of the Checklist from 1981 through May of 1989, and was Treasurer of the Old Homes Day Committee.

A scholarship has been set up in Barbara's name going to a high school graduate who attended the James Faulkner Elementary School. The first scholarship was awarded to Susan Yocono at the 1989 Keene High School Graduation.

Barbara died as a result of an automobile accident on May 1, 1989. This book is dedicated to her memory.

## SELECTMEN'S NARRATIVE

**Introduction:** As we leave the 1980's and begin a new decade, it isn't hard for one to think about past times which were less complex with a more relaxed form of government. Presently your Selectmen meet every Monday evening with a diversified work load and sometimes several days throughout the week are spent on town affairs. With more and more state and town laws being enacted, it is essential that the Selectmen keep abreast of rapidly changing times. Again this year, as in the past, the three Law Lectures Series were attended by the Stoddard Selectmen at Keene State College. This Law Lecture Series is extremely helpful to head off any potential lawsuits.

This past April your Selectmen started their annual assessing of new homes, porches, garages, additions, etc. There were 123 properties to look at which consumed weeks of work, many times on Saturdays and Sundays. The final assessed value was a hefty \$1,907,227 or 50%, \$953,614 that was to be taxed. From these figures we were able to add \$32,165 to the town coffers. A vibrant economy coupled with reasonable growth is the best formula for "low taxes!"

**Roads:** At one time, Stoddard had over 60 plus miles of roads, and today we have a little over 12 miles of town roads to maintain. With the cost of vehicles being what they are and a very mobile society, it is essential that we maintain and repair these roads up to acceptable standards.

School Hill Road was one of the four roads the Selectmen had on their agenda to repair or rebuild. This task was completed during the fall and turned out beautifully with a super job being done.

The second road on the agenda is King's Highway with its narrow entrance not being wide enough for two cars to pass each other safely. At the last Town Meeting we had the majority vote to proceed, but the State informed us that because of the two year funding we had to call a Special Town Meeting and have a two thirds written majority vote. The article was defeated by a very few "No" votes. We ask for your support to pass the warrant article to rebuild this road. The road in its present condition is a hazard to the public and does not put the town in a good position should a serious accident occur. Once King's Highway is completed, we will turn our attention to the narrow hill on the back side of North Shore Road.

In the interim, the fourth road, Shedd Hill Road as well as the bridge, will need engineering and funding over a period of years. This year we plan to put a minimal amount into repairs on that road to alleviate some of the major hazards until it can be rebuilt.

Since Stoddard has been contracting out road maintenance, there hasn't been a need to purchase road equipment. The Town recently has 2 pieces of equipment, a Michigan loader and an old small grader. The loader has been put into good condition, sandblasted and painted this past year. The grader is in poor shape and not worth putting the many dollars into it. Even if it were to be made road worthy, it isn't adequate for the present grading needs. We are seeking bids to sell the grader, and if one is needed in the future, a larger used grader would be cheaper in the long run.

**Legal:** The Town of Stoddard was embroiled in two lawsuits over the past couple of years, and both have been settled. The Valley Road lawsuit involved lawyers as well as Cheshire County Commissioners and that road will be rebuilt this early spring. The final outcome was that the Town of Stoddard as well as the people affected by the use of the road, split the \$60,000 needed to rebuild the road, the cost of which is covered. The \$30,000 needed from the people that are affected by the road is very complex in administering. A percentage based upon the value of each individual parcel has to be applied over a three year period. Nevertheless, the presence of the lawsuit is behind us and we move on.

The second lawsuit involving Pickerel Cove was settled in August. The developer who sued the town decided to drop the lawsuit, thus leaving the Town with \$41,000 in legal expenses attributed solely to that suit. The town tried to recoup its losses through the insurance company, but was forced to sue the insurance company for legal fees. After extensive negotiations between the town's attorneys and the insurance company, the town settled for over 93% of the August amount of \$41,000. To date we have spent \$44,623 in legal fees on that suit alone, thus \$6,623 we have to pay which was not covered by insurance.

Lawsuits are never pleasant. They disrupt the lives of people involved and cause monumental stress. In the interest of public health, convenience, safety and welfare a municipality has the right to enact new zoning regulations when warranted. If they become too complex or too ambiguous, then future court challenges are almost a certainty.

**Re-Val:** The long awaited property revaluation has begun with a team from the State of New Hampshire working on a daily basis to complete this task. Basically, when they finish all properties, land and buildings will be at current market value. Presently, taxes are based on 50% and should be at the 100% assessment once the state is finished. Example: if we have \$21,000,000 in taxable property now, and should they leave with \$72,000,000 on the books, then the tax rate would drop significantly.

The Town of Stoddard presently collects \$805,525 from property taxes. Many towns throughout New Hampshire and surrounding states have large industry to offset the tax base. Stoddard industry, for lack of a better word is its many lakes and ponds with houses and cottages. We have a large non-resident tax base which gives us one of the lowest property taxes in southern New Hampshire.

Almost 71% or \$572,000 comes from our non-residents who require little or nothing of town services. Even with this favorable situation, we must be very careful on the amount of future expenditures at Town Meeting.

**Current Use:** There is a good deal of debate throughout many of the New Hampshire towns as well as the State government on current use. Many feel some land owners are using current use for personal gain or a lower tax bill, and others feel, the only way to keep their land is current use, the only alternative.

As local taxes continue to rise, putting a greater burden on non-current use land owners, we're sure future bills in the Legislative Branch will be introduced. Stoddard has a total of 34,800 acres of which almost 50% is in

current use. You, the tax payer, whose land is not in current use is contributing to the tax on the current use owner. We feel current use laws should be changed, not abolished. All current use land should at least be marked open to the public, after all, if taxpayers contribute to a lesser tax on current use land, it should be noticed.

**Waste:** After months of investigation and negotiations, the Selectmen hired a new rubbish hauler, W.L. Bourassa. The previous hauler was unwilling or unable to participate in recycling upon our terms. Although the Keene Landfill fees have increased 250%, we were able to keep the budget from exploding due to the tremendous participation in recycling. Before recycling began and with our previous hauler, the last month's fees with him were \$8,000. If that rate were to continue, our annual budget for refuse would be approaching \$100,000. Presently, we are spending about \$3,000 a month.

Voluntary recycling, not mandatory, is the best route at this time. However, if voluntary recycling does not continue to keep our costs down, then the only other choice would be mandatory recycling. Let's all try a little harder as our New Hampshire's 50 plus landfills are in their "twilight hours".

**Planning and Zoning:** There is no doubt that a growing community (every community must accept its fair share of growth per state law) should have reasonable Planning and Zoning rules in place to guide that growth. The Planning Board proposes and itself adopts changes to subdivision regulations. Subdivision regulations affect land parcels and large projects proposing new lots.

Zoning, on the other hand, is proposed by the Planning Board, and then is placed before the voters at an annual Town Meeting for their "Yes" or "No" vote. Any adopted Zoning is then enforced by the Selectmen. Zoning, unlike subdivision regulations, affects existing and and building. Before you, as a voter, cast your ballot either "Yes" or "No", it is imperative that you fully understand the effect it will have on your property and community.

It is the Selectmen's responsibility to enforce zoning rules that are adopted. The Selectmen are enforcing present ordinances; however, should voters continue to pass more restrictive new zoning ordinances, you should be prepared to budget a full or part-time enforcement officer. The Selectmen's position is part time, and with our many, many other duties, there is only so much three people can do. Please keep in mind when you create another government entity (the enforcement officer) you have another budget you have to deal with, usually reflected in higher taxes.

Our forefathers established this great country using the very least amount of government intervention to limit one's freedom. It was their view that "government governs best, which governs least!" For your convenience, zoning regulations as they now exist, are printed in this Town Report.

**Summary:** As economic problems in the Federal and State levels persist in the faltering economy, a municipality must understand that financial assistance in the future will dwindle, putting a greater burden on taxpayers through their property taxes. Your ideas and opinions to offset

this upward spiral should be addressed to your state representative. As a recent news article pointed out by John Andrews, head of the NH Municipal Association... "property taxes through the 234 cities and towns will double by 1994."

It takes many departments and boards pulling together to have a smooth operation of town government. These people who serve throughout the year all deserve a big THANK YOU. The many meetings and volume of paperwork sometimes makes you wonder if it's all worth it, but the ultimate goal, the betterment of the town always prevails.

Board of Selectmen  
*Harry R. Power, Chairman*  
*John D. Halter*  
*James T. D'Arcy, Jr.*

## **TOWN OF STODDARD**

### **Town Warrant**

**The polls will be open from 1:00 PM to 7:00 PM.**

*To the inhabitants of the Town of Stoddard in the said County of Cheshire in the State of New Hampshire, qualified to vote in Town Affairs:*  
You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the thirteenth day of March, next at one of the clock in the forenoon, to act upon the following subjects:

- #1.** To choose all necessary Town Officers for the year ensuing.
- #2.** To see if you're in favor of adopting the proposed amendments and additions to the Community Planning (Zoning) Ordinance as proposed by the Stoddard Planning Board. (No discussion on the Article).

**You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday the Twentieth day of March, next at seven (7) in the evening, to act upon the following articles 3 through 39:**

- #3.** To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money in anticipation of taxes if necessary.
- #4.** To see if the Town will vote to raise and appropriate the sum of \$113,165 to defray Town charges for the ensuing year.
- #5.** To see if the Town will vote to raise and appropriate the sum of \$580 as its share for the support of the Monadnock Family and Mental Health Services.
- #6.** To see if the Town will vote to empower the Selectmen to act as the franchising authority with respect to any cable television system proposed within the Town of Stoddard pursuant to RSA 53-C, as amended.
- #7.** To see if the Town will vote to raise and appropriate the sum of \$1,800 as its share for the support of the Home Health Care and Community Services.
- #8.** To see if the Town will vote to raise and appropriate the sum of \$500 as a contingency fund for activities planned for the Community by the Old Home Days Committee.
- #9.** To see if the Town will vote to raise and appropriate the sum of \$2,600 for the operation and maintenance of the Davis Library.
- #10.** To see if the Town will vote to raise and appropriate the sum of up to \$7,000 for the installation of a handicap ramp as required by law. (RSA 658:9)
- #11.** To see if the Town will vote to raise and appropriate the sum of \$700 for the operation of the Stoddard Conservation Commission and for the purchase of Lake Testing equipment.
- #12.** To see if the Town will vote to authorize the Selectmen to apply for and accept gifts and/or State or Federal Aid in the name of the Town of Stoddard for the operation and legitimate expenditures of any appropriate Stoddard agency.
- #13.** To see if the Town will vote to raise and appropriate the sum of \$721 as its share of the operating budget for the Southwest Solid Waste Management District, 149M.

- #14.** To see if the Town will vote to raise and appropriate the sum of \$560 as its share of the operating budget for the Ashuelot Refuse Disposal District, 53B.
- #15.** Shall this community, as a member of the Southwest Solid Waste Management District, direct its representative, that the highest priority be placed on real waste reduction and recycling, and that refuse disposal facilities shall be sized to meet the needs of District communities without any outside trash. (By Petition)
- #16.** To see if the Town will vote to raise and appropriate the sum of \$43,000 for the operational expense of the Stoddard Recycling and Transfer Station.
- #17.** To see if the Town will vote to authorize the Selectmen to sell by auction or by advertised sealed bid, properties acquired by the Town through Tax Collector's deed in accordance with RSA 80:42.
- #18.** To see if the Town will vote to raise and appropriate the sum of up to \$50,000 for the revaluation of the Town by the Department of Revenue Administration, and authorize the withdrawal of \$26,000 and all additional interest earned from the capital reserve fund created for that purpose. The balance of \$24,000 shall be raised from general taxation.
- #19.** To see if the Town will vote to authorize the Selectmen to sell by auction or by advertised sealed bid, the old grader, the funds to be placed in the general fund.
- #20.** To see if the Town will vote to raise and appropriate the sum of \$5,000 to be placed in the Captial Reserve fund established for the purchase of land for future Town use.
- #21.** To see if the Town will vote to raise and appropriate the sum of \$750 for the operating budget of the Stoddard Zoning Board of Adjustment.
- #22.** To see if the Town will vote to raise and appropriate the sum of up to \$73,000 for the reconstruction of Kings Highway from Route 123 to the end of the current pavement.
- #23.** To see if the Town will vote to raise and appropriate the sum of \$37,800 for winter and summer maintenance of Town Roads and Bridges.
- #24.** To see if the Town will vote to raise and appropriate the sum of \$30,000 for emergency and necessary highway/bridge repair, gravel and supplies for the ensuing year.
- #25.** To see if the Town will vote to raise and appropriate the sum of \$26,000 as operating budget for the Stoddard Planning Board for the ensuing year.
- #26.** To see if the Town will vote to raise and appropriate the sum of \$580 for membership costs to the Southwest Region Planning Commission for the coming year.
- #27.** To see if the Town will vote to raise and appropriate the sum of \$1,700 for the operation budget of the Stoddard Fire Warden, to include the purchase of equipment, meetings and training.
- #28.** To see if the Town will vote to raise and appropriate the sum of \$2,500 for the Selectmen to hire a licensed, competent firm to provide a fireworks display for the 4th of July holiday.

- #29.** To see if the Town will vote to raise and appropriate the sum of \$9,275 for the operating budget of the Stoddard Police.
- #30.** To see if the Town will vote to discontinue that portion of Queens Road, so called, which runs south from the intersection of Queens Road and Route 123, and terminates at the Oliver Parker place. (By Petition).
- #31.** To see if the Town will vote to discontinue that portion of Queens Road, so called, which runs west from the intersection of Queens Road and Route 123, past Cold Spring Pond, and terminates at the Pratt place. (By Petition).
- #32.** To see if the Town will vote to raise and appropriate the sum of \$10,565 for the operating budget of the Stoddard Fire & Rescue Department.
- #33.** To see if the Town will vote to raise and appropriate the sum of \$102,000 for the purchase of a pumper, and to authorize the withdrawal of \$46,000 and all additional interest earned from the capital reserve fund created for that purpose. The balance of \$55,000 to be raised from general taxation.
- #34.** To see if the Town will vote to raise and appropriate the sum of \$2,000 to donate to the Ambulance Service for the ensuing year.
- #35.** To see if the Town will vote to raise and appropriate the sum of \$2,200 for the purchase of 2 portable radios and 1 truck radio for use by the Stoddard Fire & Rescue Department.
- #36.** To see if the Town will vote to raise and appropriate the sum of \$2,500 for the purchase of 2 sets of breathing apparatus for the Stoddard Fire Department.
- #37.** To see if the Town will vote to raise and appropriate \$20,000 to be placed in the Capital Reserve fund established for the purchase of a pumper/tanker.
- #38.** To see if the Town will vote to designate and proclaim April 22, 1990 as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment".
- #39.** To transact any other business that may legally come before said meeting.

**BOARD OF SELECTMEN**

*Harry R. Power, Chairman*

*John D. Halter   James T. D'Arcy*

RSA 466:4 Effective 01/01/80

## **AUDITOR'S REPORT**

We hereby certify that we have examined the records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of Trust Funds, Library Trustee, and Boat Permit Fee Agent of the Town of Stoddard, New Hampshire for the year ending December 31, 1989.

In our opinion, the aforementioned records, together with their financial statements and auditor's report present fairly the financial position and the results of its operations and changes in its financial position for the year ended, in conformity with generally accepted accounting principles, applied using cash basis methods consistent with that of the preceding year.

Verifications letters (105) were sent of the unpaid tax bills as of March 31, 1989 with request for responses for incorrect bills only. Copy of letter attached.

### **Recommendations**

1. In order to be in compliance with State requirements as suggested in MS-60, we recommend that the Town Clerk and Tax Collector utilize direct deposit to the Town Treasurer and close their separate accounts.
2. As no Cash Book was located for the Boat Permit Fee Agent, we recommend that one be instituted.
3. In an effort to establish more efficiency and timely handling of subsequent audits, we recommend that the Selectmen's Office notify all persons responsible for accounts to be audited that their books should be brought to the Office of Selectmen preferable the third Monday of January for audit. This would allow all those handling these accounts time to complete their year end reports and would enable the auditors time to complete the audit and return the books to the Selectmen's Office by the fourth Monday of January. Much time this year was spent trying to locate those persons handling these accounts and coordinating the transfer of the books to the Auditors.

*Virginia R. GrandPre', Town Auditor*

*Louis E. GrandPre', Town Auditor*

## **STODDARD ZONING BOARD OF ADJUSTMENT**

The Zoning Board of Adjustment continues to hear cases. If there are no appeals, we do not meet every month. We are looking for three alternates. Vacancies are created when members terms are up. The Zoning Board of Adjustment incurred no legal expense during 1989!

Respectfully Submitted,

*Phyllis Sawyer, Chairperson*

*Robert Cowie, Vice Chairman*

*Joseph Coughlin, member    Cindy Bohl, member*

*Beverly Power, member*

*Gary Oke, Alternate*

## DAVIS PUBLIC LIBRARY

The library hours were expanded at the Stoddard Library during 1989. In addition to the Thursday evening hours, the library is now open from 9:00 to 10:00 a.m. on Saturday mornings during the summer months. The elementary school children continue to visit the library one morning each week.

We extend thanks to those who donated to and attended the annual book sale during Old Home Days in July. The sale was a great success once again. Donations of books to the sale or to our collections are always welcome.

Circulation increased to more than 1500 volumes during 1989. This was an increase of 36% over 1988.

New purchases and donations added nearly 250 volumes to the library collections. The collections now contain nearly 5000 volumes. We extend our thanks to all those people who made donations during 1989. They included *Nancy Bailey, Madelyn Berman, Mike Bernier, Sally Cahill, Bob Chandler, Charles Chandler, Pauline Chandler, Ted Cieplik, Mary Conklin, Eunice Fiske, Kathy Hall, Christen Howley, Henry Klie, Irmigard Lambert, Nancy Matson, Herbert Nichols, Pat Putnam, Oliver Quist, Rebecca Rumrill, Lina Vaillancourt, Bob and Sue Wellwood*, and several anonymous donors.

Thanks to all for your support. We will see you at the library. *Frances Rumrill*, Librarian

Total		\$4320.30

## STODDARD FIRE AND RESCUE DEPARTMENT

1989 has proven to be our busiest year in a long time, possibly the busiest ever. We have responded to 26 rescue calls and 30 fire calls, and a total of 97 times we've rolled a truck to a call. We've also had 74 scheduled meetings, training sessions, work details, and weekly equipment checks, for a total of over 1700 volunteer hours.

The break down of calls is as follows: 14 medical assists, 12 motor vehicle accidents, 4 car fires, 1 propane truck fire, 5 chimney fires, 3 structure fires, 4 brush fires, 1 mutual aid call, 4 cover trucks, 3 partition fires, 2 wires burning, 2 miscellaneous calls and 1 false alarm.

New codes and laws are forcing us to take part in more extensive training, certification and recertification. We also find that we are required to replace more and more of our older equipment due to safety code changes and increased liability concerns. You will, I'm sure note the reflection of this in our budget.

We appreciate the support shown us from the town over the past year and want to extend an invitation to come down to the fire station and look around. We also encourage any interested people to consider joining either the Fire or Rescue Department. Remember we offer chimney cleaning service.

Respectfully submitted,

*Chief John Cressy*

*Deputy Chief Brian Cahill*

*Rescue Captain Patricia Lamothe*

*Captain Doug Connors*

*Leutenant Wally Weaver*

**NOTE:** The Selectmen wish to thank very much the Fire Department and its volunteers for the time they spent flushing ice from Town culverts and for cleaning the chimney and piping at the Town Hall.

**REPORT OF TOWN FOREST FIRE WARDEN & STATE FOREST RANGER**

During calendar year 1989, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, children, and debris burning fires that escaped control. All these causes are preventable, but only with your help.

Please help your town and state forest fire officials with forest fire prevention. By New Hampshire State Law (RSA 224:27b), "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material, except when the ground is covered with snow, **without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.**"

Violations of RSA 224:27 and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for paying all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1989 including several large fires in Allenstown, Alton, Chesterfield, Concord areas, as well as the 100 acre fire on Mt. Belknap in Gilford.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

**FOREST FIRE STATISTICS - 1989**

	<b>STATE</b>	<b>DISTRICT</b>	<b>TOWN</b>
Number of Fires	550	61	1
Acres Burned	554	38	spot

Forest Ranger, *Robert Stewart*  
Forest Fire Warden, *Lewis A. Clark*

## STODDARD CONSERVATION COMMISSION

This year the Conservation Commission remained active with review of applications for Dredge and Fill which, although were fewer than last year, are needed for the Wetlands Board.

The efforts of the new "Highland Lake Association" were successful in obtaining a permit for removal of debris by hand from Highland Lake which is in effect until May 1, 1990. Perhaps in the future more cooperation between Associations and Commission would be of benefit to the protection of the water resources of Town. We thank them for their efforts in 1989.

Volunteers will be again sought for the Lake Monitoring Program which begins in June of 1990. Only 2-3 hours per day is needed and less if more volunteers are available to help.

This program having been done for 2 years should continue in order to provide information regarding the conditions of the lakes and could be expanded to include bacteria testing not presently being done. The cost has been approximately \$600.00 and varies a bit because if the inlets to the lakes are not flowing, no test is done. The cost for Granite Lake and Robb Reservoir were by donation this year and were approximately \$150.00.

It would seem advisable for the Associations and Town to combine efforts and convey concerns to each other. Reports are available through the commission and are summarized in the late fall by the State and sent to the Commission at this time.

The Commission was asked by the Planning Board to aid in preparing a map of Conservation Lands and areas for future concern. Much effort was taken to obtain input from members and others. The map was then reviewed and given to Southwest Region Planning Commission for presentation in our Master Plan. This is available to the Town as reference material and should not be forgotten!

The development of a wildlife corridor was aided in 1989 by Mr. & Mrs. Trevor Price with the aid of the Society for the Protection of New Hampshire Forests. The Commission wishes to extend their thanks for the easement. Proper planning and thought is benefit to all especially the innocent wild ones! Hats off to you both!

In closing the year and looking forward to the 1990's, the Town is growing. There is an urgent need for residents to get involved. "Community" is "Volunteers" working for a common interest and goal. Let's work to keep Stoddard our community.

Respectfully submitted:

*Diana Duplissie, Chairman*

*Jane Abert, Assistant Chairman*

*Priscilla Holland, member Alan Rumrill, member*

*John Lightbody, Jr., member*

## STODDARD POLICE REPORT 1989

Due to surgery on my cervical spine, for the better half of 1989 I was unable to walk without support. This made it impossible for me to do any police work beyond administrative and investigative.

Because the Police Department had been reduced from six men to two, during the past eight years, that left one officer, with no back-up to handle all complaints — difficult circumstances at best. I would like to take this opportunity to express my deep appreciation and thanks to David Vaillancourt for a job well done under the worst conditions, and I believe the Town of Stoddard owes him a debt of gratitude as well.

At this time, so that we will not be caught in a similar situation, we are starting to rebuild the department. At the time of this publication, we hopefully will be part way through the process of hiring a new officer. It will take approximately one year before this officer will be available to work, due to state mandated background and hiring practices, as well as state required training, which is extensive.

1989 showed the continuation of motor vehicle accidents and domestics, with a disturbing increase in burglaries in the latter part of the year. As is traditional, when the economy takes a downward trend, the crime rate increases. We will be doing our best to combat this trend, but as always, we need your eyes, ears, and phone calls.

We are also hopeful that in the near future, we might purchase or lease a 4WD cruiser. This would allow for additional patrol, better visibility, a reduction in liability risk, and, with luck, a reduction in crime and MV incidents of all types.

In closing, we would once again remind all of you that in any emergency, please call **MUTUAL AID** at **352-1100**. This assures you the quickest and most well-coordinated response.

*Daniel Adams Eaton*  
Chief of Police

## REPORT OF ANIMAL CONTROL OFFICER

We responded to 81 calls in 1989 - not including numerous calls that were handled over the phone.

There were 3 ducks frozen in on local lakes. People bring these birds in to make the lakes more picturesque and are of the mistaken conception that the birds will fly South for the winter. Unfortunately, the bird usually ends up as a meal for racoons or weasels, or worse, a household dog will attack it. Dogs may just "play" with the bird and when tired of playing, leave its injured victim to suffer a slow agonizing death. Please, if you must bring in ducks or geese, but cannot take them with you at end of summer, contact us to make arrangements for their safe relocation.

Cats, too, are thought to be able to fend for themselves if left to the wild. Wrong! Cats rely greatly on humans for food and shelter. A good mouser is the one who is well cared for in the home. So far we have had 7 cats that were apparently brought in for the summer (probably to rid camps of mice) and were left behind when the owners returned home for the winter. Of these, 2 cats were pregnant. Please, if you must show your children the miracle of "birth", use books or films. Think about this the next time your cat has kittens or dog has puppies. If they are given to just anyone who will take them, what might their fate be at summer's end? Too often we forget about the miracle of "death" that goes hand in hand with this education. That part most often falls on us when we pick up the animal that has been abandoned, sometimes so sick and weak that it cannot be saved. Please neuter your animals.

This year we took 8 stray dogs to the Humane Society. Only one was reclaimed by its owner. The dog had just been purchased and its owner let him out the minute he was brought home. Of course he had no collar or tags on for identification. One dog was apparently abandoned as for several days he sat near a gate and there was a pile of dog biscuits left nearby. If is believed the remainder may have accompanied owners on hikes on the mountain or while blueberries were picked. The dogs, while they had collars, had no tags. Please be sure your dog is licensed to avoid a traumatic trip to the Shelter (for both the dog and us).

If you need hay for animal coops, please call me at 446-3302 or 446-7502.

Respectfully submitted,

*Joan Zelasny, Animal Control Officer*

## STODDARD OLD HOME DAY REPORT

A musical program and bus tours of historic Stoddard were two new successful events offered at this year's annual Stoddard Old Home Days.

The town hall was filled to capacity for the church sponsored potluck supper on Friday night, followed by a musical program featuring local entertainment. The evening was fun and the program was enjoyed by all ages.

Saturday's events began with the parade, featuring music once again by Hill's Bandwagon, followed by their concert on the church lawn. Other events included a bazaar, book sale, children's musical performance by Larry and Leona - I'm Feeling Fine - family concert and sing along. All public buildings were open throughout the day.

The barbecue sponsored by the fire department once again was a sell-out and delicious! The dance Saturday evening featuring DJ Steve Hadd was also well attended and many prizes were awarded.

Events ended Sunday with the church service featuring music by violinist Sue Rabut Cartwright, accompanied by organist Pat McMahon.

The Old Home Day Committee was deeply saddened by the tragic death this spring of Barbara Cutting, treasurer of our committee. We will all remember her commitment to the committee, especially when we were trying to form the committee three years ago.

Once again, the Old Home Day Committee is asking for \$500 in the town budget. This year, because the committee's money is still tied up in Barbara Cutting's estate, we did use the budgeted \$500, but made enough money to pay this back.

That was largely due to the fact that Joan Zelasny and Gordon Garnet offered to sell hotdogs, hamburgs, etc., and give all proceeds to the Old Home Day Committee. They also worked hard getting donations of food to help cut costs.

We would like to give a heartfelt thanks to Joan and Gordon, and the many, many people of our community who generously contributed financially to our fund and participated in the events.

We hope to continue offering new events, but need new members to enable us to do this., Teenagers are also more than welcome to join our committee.

Again, thanks to everyone for your continued support.

Respectfully submitted

*Carol Clark*, Chairman

*Kim Rumrill*, Secretary & Treasurer

\* Please note that the Town of Stoddard gave \$500.00 for Stoddard Old Home Days requirements, but due to the generous donations received from Old Home Day supporters, the committee was able to refund the \$500.00 to the town.

## REPORT OF THE STODDARD PLANNING BOARD 1989

The Board completed and adopted the final portions of the Stoddard Master Plan in November, 1989. We wish to thank all individuals and town organizations who contributed to this achievement. Plans are being made to publish the documents and maps prepared at this time.

The lawsuit against the town by the Pickerel Cove Associates was dropped. The town was forced to sue the insurance companies to recover legal costs of defending the lawsuit. The courts found in favor of the town and a settlement was eventually reached to avoid further litigation with the insurance companies. We understand the town will recover about 90% of the costs, with taxpayers still forced to pay about \$6000.00 as a result of the lawsuit.

Mr. Trevor A. P. Price and Beatrice Price of Keene donated a conservation easement of 794 acres of their land in Stoddard to the Society for the Protection of New Hampshire Forests. Paul Doscher, vice president of land protection for the Forest Society said "This is a major land protection achievement. It is by far the largest single conservation easement donated to any New Hampshire group in many years. This is a truly priceless gift that the Prices have given to the people of New Hampshire". The Town of Stoddard should also be grateful to the Prices for their contribution.

Stoddard voters approved amendments to the Community Planning Ordinance at the March 1989 meeting including:

- Standards for waterfront development.

- Revisions to the General Dwelling Requirements for conversion apartments.

- Changes to the Article dealing with Commercial and Industrial uses of land.

- Changes to Article 6 concerning non-conforming lots.

- Changes in building permit fees.

- A new Wetlands Conservation District Ordinance.

- A new Planned Residential Development Ordinance.

The Board will propose some further amendments for the 1990 meeting. It is the voters of Stoddard who determine which proposed ordinances and amendments are adopted by the town. It remains extremely important that those ordinances the voters wish to adopt be honored by residents, builders, and contractors, and be enforced by the Selectmen.

The Board approved five subdivision applications of three lots or less so far this year and have turned down none. Others appeared informally before the Board, but made no formal application.

Significant development requests face the Board at this time.

The Robb Reservoir Development is currently before the Board which has conditionally accepted the application. The project is planned for 80 plus lots on a site of 500 plus acres.

The Pickerel Cove Development has resumed with an informal preliminary hearing. The project now appears to involve 40 plus dwelling units on a 125 acre site and will be structured under the Planned

Residential Development Ordinance. No formal application has been submitted or accepted by the Board.

The owners of Andorra Forest appeared informally in December concerning developing around 30 dwelling units in the total tract of 10,000 plus acres.

The Board did not have time to complete all of its goals for 1989. In 1990 we will attempt to:

- Complete printing of the Master Plan.

- Develop a Capital Improvements Program.

- Prepare and adopt Site Plan Review regulations.

- Respond to other community needs as they arise.

We continue to seek participation by members of the community as alternate members of the Planning Board. Alternates are urgently needs as three members of the Board have stepped down with regard to the Pickerel Cove Project at this time (Desrosiers, Fosberry, Tocono).

We appreciate your support.

Respectfully submitted,

*Charles Fosberry*, Chairman

Members of the Stoddard Planning Board

# COMMUNITY PLANNING ORDINANCE, STODDARD, N.H.

ADOPTED 1986

AMENDED, 1988, 1989

## ARTICLE I - Purpose and Authority

For the purpose of promoting the health, safety and general welfare of the Town of Stoddard; to protect the value of property, and to preserve the rural character of the Town, the following ordinance is hereby enacted by the voters of the Town of Stoddard, pursuant to the authority conferred by relevant provisions of RSA chs. 672-677.

## ARTICLE II - Community Planning Ordinance

The Town of Stoddard is hereby divided into the following districts as shown on the Community Planning Map of Stoddard, N.H. The original map is filed in the office of the Town Clerk.

1. Residential Districts: The two residential districts include the areas commonly known as Stoddard Center, Mill Village and South Stoddard. Both districts include land within three hundred (300) feet of the public road measured perpendicularly from the center of the public road.

A. Residential District One begins at the intersection of Route 123 and Center Pond Road and extends along both sides of the road to a point, six hundred (600) feet south of the intersection of Route 123 and Shedd Hill Road and includes:

a. Along both sides of the road from the intersection of Route 123 to the Elementary School.

b. Along both sides of Mt. Stoddard Road a distance of one-thousand two hundred-ninety (1,290) feet from the intersection with Route 123.

c. Along both sides of King's Highway a distance of one thousand-three hundred-fifty (1,350) feet from the intersection with Route 123.

d. Along both sides of Dead Brook Road a distance of five hundred (500) feet from the intersection with Route 123.

e. Along both sides of the road from the center of the bridge nine-hundred fifty (950) feet east on the Old Antrim Road, and from the center of the bridge two thousand-two hundred (2,200) feet north along Shedd Hill Road.

B. Residential District Two extends along both sides of Route 123 from Route 9 fifteen hundred (1,500) feet south.

2. Lakeside: This district will include land surrounding Highland Lake, Granite Lake and Island Pond to a distance of five hundred (500) feet measured from the normal lake level as maintained by existing dams at the effective date of this ordinance except for land otherwise included in the Residential Districts.

3. Rural District: This district includes all land not included in the Residential or Lakeside districts.

## ARTICLE III - General Regulations

1. Setbacks: Buildings shall be located at least twenty-five (25) feet from any road as measured from the edge of the right-of-way and at least twenty-five (25) feet from all lot lines. Accessory buildings with less than one hundred (100) square feet of floor area may be located within fifteen (15) feet from a side or rear lot line when approved as a special exception.

### 2. Lot size and Frontage:

A. Residential Districts: Lots in the residential districts shall be one (1) acre minimum and shall have at least seventy-five (75) feet of frontage on an approved highway defined as a public highway Class I through Class V, or a road in a subdivision approved by the Planning Board.

B. Lakeside District: Lots in the lakeside districts shall be one (1) acre minimum and shall have at least seventy-five (75) feet frontage on an approved highway.

C. Rural District: Lots in the rural district shall be two (2) acres minimum and shall have at least one-hundred-fifty (150) feet of frontage on an approved highway.

D. Usable Lot Area: At least 50% of the land in each lot shall be suitable for development and contain soils which are suitable for the type of development proposed unless appropriate measures have been taken by the owner to ensure an adequate amount of land is suitable for such development. The 50% requirements shall not include surface waters of ponds or lakes on the lot, areas with slopes in excess of 25%, or poor or very poorly drained soils as defined in the Cheshire County Soil Survey. This requirement shall not apply to lots of record that existed prior to the effective date of this provision (see Article VI Non-Conforming Lots).

### 3. General Dwelling Requirements:

A. No more than one residential dwelling shall be allowed on any lot except in the case of multi-family developments or as provided in Section 3E below.

B. The septic system must conform to sewage load requirements as specified by the N.H. Water Supply & Pollution Control Division.

C. Mobile homes and other manufactured housing are permitted in all districts subject to the same requirements as other buildings. Mobile home parks (two or more mobile homes on a lot) are not permitted in any district.

D. Temporary homes may be allowed by special permit of the Selectmen for specific periods of time during construction of a permanent dwelling provided that safe and adequate disposal of sewage and a safe water supply can be provided without endangering the health and safety of adjoining residents.

E. An existing single family detached dwelling may be converted to allow one conversion apartment provided the following conditions are met:

1. Each dwelling unit shall have separate and completed kitchen and bathroom facilities.

2. Each dwelling unit shall have a minimum of 400 square feet of livable floor area.

3. There shall be no exterior alteration of the structure except to provide for separate entrances.

4. Each unit shall have safe and proper means of ingress and egress.

5. Accessory buildings shall not be used for residential conversion apartments.

6. A conversion apartment shall contain no more than two bedrooms.

7. Only one conversion apartment is permitted in any circumstance.

8. Each conversion apartment shall have separate off-street parking.

9. The septic system for the conversion must conform to sewage load requirements as specified by the N.H. Water Supply & Pollution Control Division.

F. Duplex (two family) dwellings: Duplex dwellings are permitted in all districts provided that the lot size for the district in which the duplex is proposed is increased by 100% (doubled). The minimum frontage for a duplex lot shall be as follows: Residential and Lakeside Districts: 125 feet; Rural District: 200 feet.

G. Multi-family dwellings: Multi-family dwellings, containing three or more dwelling units, shall be permitted in all districts by special exception. The maximum allowable density for multi-family dwellings shall be calculated as follows: Total area of the parcel minus the area of all undevelopable lands which shall include all surface waters (ponds and lakes) on the property, all lands with slopes in excess of 25% and all lands designated as poorly or very poorly drained soils as defined in the Cheshire County Soil Survey, equals total developable area. The total developable area divided by the minimum lot size for the district in which the project is located equals the maximum number of dwelling units permitted.

### 4. Standards for Waterfront Development

The purpose of this provision is to provide guidelines for the development of lakefront and backland with access to lakes and ponds so as to prevent overcrowding, to protect the shoreline and water quality, and to control the granting of easements by waterfront lot owners for the purpose of access to water frontage.

A. Rights to gain access to a water body through or by means of any waterfront land in the Town of Stoddard shall not be created or attached to any real estate, except in accordance with the standards set forth below and subject to Planning Board approval. Any owner granting rights for waterfront use and access shall comply with the following standards:

(a-1) There shall be a minimum frontage on the water of fifty (50) feet per dwelling unit or per lot, whichever is more stringent.

(a-2) There shall be provided four hundred (400) square feet of beach area per dwelling unit or per lot, whichever is more stringent.

(a-3) Parking area in addition to the beach area shall be provided on the basis of two hundred (200) square feet for each dwelling unit planned.

#### **ARTICLE IV - Commercial and Industrial Uses**

1. Commercial and industrial uses may be allowed in the Rural District by special exception from the Board of Adjustment which shall determine that there is adequate off-street parking and that there will be no nuisance to the neighborhood in which they are to be located by reason of noise, dust, smoke, odor, illumination or other hazard to the public health.

2. Home occupations commonly carried on in an existing residence by the occupant thereof shall not require such approval.

#### **ARTICLE V - Non-conforming Uses**

Any non-conforming use of land or buildings lawfully existing at the effective date of these regulations may be continued or may be re-established after a discontinuance not exceeding one year.

#### **ARTICLE VI- Non-conforming Lots**

Provided that the safe and adequate disposal of sewage and a safe water supply can be provided without endangering the health and safety of adjoining residents, nothing in the regulations shall prevent the construction of a permitted building or the establishment of a permitted use of a lot containing less than prescribed area if it was at the effective date of these regulations:

a. Owned separately from any adjoining lot and recorded in the land records of the Cheshire County Registry, or,

b. Shown on a plan or subdivision approved by the Stoddard Planning Board and recorded in the land records of the Cheshire County Registry.

If two or more contiguous lots exist in common ownership, either, both or all of which do not meet requirements for frontage and/or area of their district, then the lots involved shall be considered to be an undivided parcel for the purposes of this ordinance provided however the area of at least one lot shall be less than 50% of the minimum lot size required in that district.

#### **ARTICLE VII - Building Permits**

A. A building permit granted by the Selectmen shall be required for the following:

1. Construction of a dwelling.
2. Addition to an existing dwelling.
3. Installation of a mobile home or other manufactured housing for residential purpose.
4. Construction of an accessory building.
5. Construction of a commercial or industrial building.
6. Alteration of a building for commercial or industrial purpose.

B. Permits shall not be required for normal repair or redecoration of a building.

C. Where applicable, a state approved plan for construction of a septic system shall be required as part of the application for a building permit.

D. The Selectmen may grant building permits on Class VI roads in accordance with state laws.

E. Applicants shall provide a sketch showing lot lines, roads, bodies of water, existing and proposed buildings with distances from lot lines, driveways, and locations of septic systems and water supply. This sketch need not be to scale, but where distances approach minimum setbacks and frontages precise distances will be necessary.

F. Upon submission of a complete application for a building permit, Selectmen shall act to approve or disapprove such application within fourteen (14) days. Reasons for disapproval shall be provided upon request from the applicant.

G. Fees for building permits shall be \$25.00 per unit of principal use or addition thereto or \$10.00 for accessory building or deck.

H. Violations of this article are subject to fines of not more than fifty (\$50) dollars for each day of violation. Selectmen may also seek injunctive relief from the Superior Court.

## **ARTICLE VIII - Board of Adjustment**

A Board of Adjustment of five members shall be appointed by the Selectmen for the purpose of making special exceptions and variances in harmony with the provisions of this ordinance and to hear appeals from the decisions of town officials within the authority of this ordinance. Variances from the terms of this ordinance shall be granted only where, owing to special conditions, a literal enforcement of the provisions of the ordinance will result in unnecessary hardship. Relevant provisions of RSA 627-677, being the statutes considered a part of this ordinance.

## **ARTICLE IX - Amendments**

This ordinance may be amended by procedures set forth in relevant provisions of RSA 675.

## **ARTICLE X - Severability**

The invalidity of any part of this ordinance shall not invalidate any other part thereof.

## **ARTICLE XI - Effective date**

This ordinance shall take effect upon passage.

## **ARTICLE XII - WETLANDS CONSERVATION DISTRICT ORDINANCE**

### **SECTION 1 - General**

The Wetlands Conservation District is hereby determined to be all surface waters as well as those areas delineated as poorly drained or very poorly drained soils identified by the U.S. Dept. of Agriculture Soils Conservation Service, in cooperation with the Cheshire County Conservation District. The Wetlands Conservation District of the Town of Stoddard as herein defined is shown on a map designated as the "Wetlands Map for the Town of Stoddard". In all cases where the Wetlands Conservation District is superimposed over another zoning district in the Town of Stoddard, that district whose regulations are the more restrictive shall apply.

### **SECTION 2 - Authority**

Pursuant to the provisions of the New Hampshire Revised Statutes Annotated R.S.A. 674:16 the Town of Stoddard adopts the following regulation to be administered by the Planning Board in conjunction with the Subdivision Regulations of the Town of Stoddard.

### **SECTION 3 - Purpose**

In the interest of public health, convenience, safety and welfare, the regulations of the Wetlands Conservation District are intended to guide the use of areas of land near surface waters or with extended periods of high water tables.

A. To regulate the development of structures and land uses on naturally occurring wetlands which development and land uses diminish the capacity of wetlands to regulate surface water run off.

B. To prevent the destruction of natural wetlands which provide flood protection and natural habitats for wildlife.

C. To prevent unnecessary or excessive expenses to the Town to provide and maintain essential services and utilities which arise because of improper use of wetlands.

#### **SECTION 4 - Use of Wetlands**

A. Permitted use of wetlands is any use that does not result in the erection of any structure or alter the surface configuration by the addition of fill or by dredging and that is otherwise permitted by the Ordinance.

B. An application must be made to the Zoning Board of Adjustment for a special exception for any change in the use of wetlands.

#### **SECTION 5 - Special Exceptions**

A. Special exceptions for the undertaking of a use not otherwise permitted in the Wetlands Conservation District which may include the erection of a structure, dredging, filling, draining or otherwise altering the surface configuration of the land may be granted by the Board of Adjustment if it can be shown that such proposed use will not conflict with the purpose and intentions of Section 3. Proper evidence to this effect shall be submitted in writing to the Board of Adjustment accompanied by any necessary permits or approvals (State or otherwise). If requested by the Board of Adjustment, the application shall also be accompanied by the findings of a review (by the Cheshire County Conservation District or other expert opinion as sought by the Planning Board) of the environmental effects of such proposed use upon the wetlands in question. The Stoddard Conservation Commission shall receive notice from the Board of Adjustment of any application for Special Exception and shall render an advisory opinion to the Board on such applications. Costs of any other environmental studies requested by the Board will be paid for by the applicant.

B. Inaccuracies of the "Wetlands Map for the Town of Stoddard" may be corrected by the Board of Adjustment when documented by an on-site investigation and analysis by a qualified soils scientist and approved by the Soils Conservation Service. Any necessary soil testing procedures shall be conducted at the expense of the landowner or developer.

#### **SECTION 6 - Special Provisions**

A. A buffer strip of natural vegetation along the edge of the water or wetland shall be left for a width of not less than fifty (50) feet to insure the integrity of wetlands and prevention of siltation, sedimentation and erosion into the wetland areas. Clear cutting shall be prohibited within the buffer area. Any selective and dispersed cutting of vegetation for wildlife management or to create a view shall be conducted so as to cause negligible adverse environmental impact.

B. Any prior existing nonconforming use of land or buildings on or adjoining wetlands shall be deemed a nonconforming use and when such use is discontinued for one year, such land and/or buildings become subject to the Wetlands Conservation District Ordinance.

#### **SECTION 7 - Enforcement**

A. The Board of Selectmen is hereby authorized and empowered to adopt such rules or organization and procedures as are necessary for the efficient administration and enforcement of this ordinance.

B. Upon any well founded information that this ordinance is being violated, the Selectmen shall, on their own initiative, take immediate steps to enforce the provisions of this ordinance by seeking an injunction to the Superior Court or by any other appropriate legal action.

#### **SECTION 8 - Saving Clause**

If any section, provision, clause or phrase of this ordinance shall be held to be invalid or unconstitutional by any court or competent authority, such holding shall not affect, impair, or invalidate any other section, provision, portion, clause or phrase of this ordinance.

## ARTICLE XIII - PLANNED RESIDENTIAL DEVELOPMENT

### I. AUTHORITY

Pursuant to the provisions of Revised Statutes Annotated Chapter 674:16, II, and in furtherance of the policies, goals and objectives set in the General Statement of Objectives and the Land Use sections of the Master Plan, the following section is hereby adopted by the voters of the Town of Stoddard at the Town meeting convened on Tuesday, March 14, 1989.

### II. PURPOSE

The purpose of this section is to encourage reasonable flexibility in the development of land for residential purposes, to promote the most efficient use of land and to preserve significant natural and man-made features and open space in the design and development of residential projects. The specific objectives of these provisions and the general standards with which all proposed Planned Residential Developments shall comply are:

- A. Promote the conservation of the natural environment and the development of land in harmony with natural features of the specific site proposed for development.
- B. Preserve the natural beauty of existing rural roads, farmlands, woodlands and cultural features which give the Town much of its identity.
- C. Provide useable open space and recreation areas for the enjoyment of the residents of the development and the Town as a whole.
- D. Promote economy and efficiency in the design, construction and maintenance of new roads and utilities for the developer, the Town and the residents of the proposed development.
- E. Avoid development of lands which by virtue of excessive slope, wetness, flood hazard or similar conditions are unsuitable for residential use.
- F. Promote a wide range of housing opportunities for individuals and families of various ages and economic circumstances.
- G. Provide an efficient and expedient regulatory procedure while assuring high quality design, engineering and site planning.
- H. Protect the health, safety and welfare of present and future residents of the Town.

### III. STANDARDS AND CRITERIA

- A. Planned Residential Development shall be a permitted use in all districts of the Town of Stoddard.
- B. The minimum parcel size for any Planned Residential Development shall not be less than 25 contiguous acres.
- C. Any parcel proposed for a Planned Residential Development shall have a minimum of 150 contiguous feet of frontage on an approved public street.
- D. The maximum allowable density in any Planned Residential Development shall be calculated as follows:

TOTAL area in acres of the parcel  
MINUS area of all undevelopable lands which shall include all surface waters on the parcel, all lands with slopes of 15% or greater, all soils designated by the U.S.D.A. Soils Conservation Service in cooperation with the Cheshire County Conservation District and a High Intensity Soil survey to be poorly drained or very poorly drained, all lands within the 100 year flood zone, and all soils with severe limitations as defined by the United States Department of Agriculture Soil Survey interpretation sheets of 1976. On-site determination of soil types may be conducted at the request of the Planning Board by an agent of the Cheshire County Conservation District or a qualified soil scientist approved by the Town of Stoddard Planning Board. Only soils with slight or moderate limitations shall be included in calculating the total developable area. Structures, paved areas, service areas and other developed facilities shall be built only on the developable area or developable portion of the tract.

Total developable area may be increased to include soils with severe limitations and slopes up to 25% upon adequate demonstration of appropriate engineering and permanent site use control to accommodate site conditions.

EQUALS total developable area

TOTAL developable area minus area of all streets and/or road rights of way in the development

DIVIDED by the minimum lot size for the district in which the project is located as specified in the zoning ordinance

EQUALS the maximum number of dwelling units permitted (fraction should be rounded down to the next lowest number).

E. Minimum lot size, frontage, setback and other dimensional requirements specified in the Zoning Ordinance and/or Subdivision Regulations may be modified or waived by the Planning Board within the Planned Residential Development provided that the Planning Board after review of the required application materials finds that the proposal is consistent with the objectives outlined in Section II and other provisions of this Article.

F. Permitted uses and housing types in a Planned Residential Development shall be limited to those in which the parcel is located. It envisioned that the housing types, while having different internal configurations, will have an external appearance to compliment and be in general harmony with the natural surroundings of the PRD. Maximum height of any dwelling structure shall be two and one half (2-1/2) stories or thirty-five (35) feet, whichever is less.

G. All land in the PRD which is not covered by buildings, septic systems, wells, paved areas, parking and service areas, or which is not set aside as private yards, patios, or gardens for the residents shall be treated as open space. The area of the open space shall be at least forty (40) percent of the total area of the PRD tract. The open space area shall have a shape, dimension, character, and location suitable to assure use for park, recreation, conservation or agricultural purposes by at least all of the residents of the PRD. Provision shall be made for the open space to be held in common equally, by all the owners of the PRD. Such provision shall further hold that all the open space shall be readily accessible to all residents of the PRD and that such open space shall be retained in perpetuity for one or more of the following uses: conservation, agriculture, recreation, or park. No building construction or substantial alteration of terrain or topography, whether it be structures or septic systems, shall take place in the open space. Harvesting of trees in the open space is not permitted if the tree is greater than 4" (four inches) in diameter. Exceptions to this would be only with express permission of the Planning Board.

H. To provide an adequate transition between the development and abutting lands or public roadways, all Planned Residential Developments shall provide for a landscape perimeter buffer with a minimum 100 foot depth.

I. No lots shown on the plan for which a permit is granted under this PRD ordinance shall be further subdivided and a note to this effect shall be placed on the final plat.

J. Where there are differences between the PRD requirements and the Subdivision Regulations, the requirements of the PRD shall prevail. All the regulations and restrictions not specifically mentioned in this ordinance shall be those of the zoning district in which the PRD is located.

## IV. PROCEDURE

Applicants for approval for the proposed PRD shall make application to the Planning Board in the same fashion as specified in the Subdivision Regulations. In the course of review of the proposal by the Planning Board, the Board shall hear evidence presented by the applicant and determine whether, in the Board's judgment, the proposal meets the objectives and purpose set forth above, in which event the Board shall grant approval to the proposal, subject to such reasonable conditions and limitations as the Board shall deem appropriate.

**TOWN OF STODDARD**  
**Town Meeting - March 14, 1989**

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the fourteenth day of March, next at 1:00 of the clock in the forenoon, to act upon the following subjects:

**Art. 1.** To choose all necessary Town Officers for the year ensuing.

Results of the Election as follows:

Selectman:	John Halter	3 years
Town Clerk:	Joan A. Read	3 years
Trustee of Trust Funds (3)	George Cahill	3 years
	Margaret Verner	2 years
	Suzanne Wellwood	1 year
Trustee of Public Library	Lina Vaillancourt	3 years
Constable	Daniel A. Eaton	1 year
Auditors (2)	Virginia Grandpre	1 year
	Louis Grandpre	1 year
Planning Board	Frances Rumrill	3 years
	Jane Abert	3 years
	John Bohl	1 year
Cemetery Commission	Charles Chandler	3 years
Surveyors of Wood & Lumber (3)	Lewis Clark	1 year
	Wallace Weaver Sr.	1 year
	Wayne Fuller	1 year
Board of Fire Ward (3)	Daniel A. Eaton	1 year
	John Cressy	1 year
	Donald Fleming	1 year
Liquor Agent	Melvin Bull	1 year
Sexton	Gordon Garnett	1 year

**Art. 2.** To see if you are in favor of adopting the proposed amendments and additions to the Community Planning (Zoning) Ordinance as proposed by the Stoddard Planning Board. (No discussion on the Article)

#1. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Add to Article 111-General Regulations - No. 4 Standards for Waterfront Development? 121 YES 53 NO.

#2. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Change Article III, Section 3, General Dwelling Requirements, concerning mandatory state septic load requirements and revisions of the standards for construction of a conversion apartment? 131 YES 42 NO.

#3. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Change Article IV-Commercial and Industrial Uses (to read) 1. Commercial and Industrial uses may be allowed in the RURAL DISTRICT by Special exception? 111 YES 63 NO.

**#4.** Are you in favor of the adoption of Amendment No.4 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Add to Article VI-Non-Conforming Lots - if two or more contiguous lots exist in common ownership, either, both or all of which do not meet requirements for frontage and/or area of their district, then the lots involved shall be considered to be an undivided parcel for the purposes of this ordinance provided however the area of at least one lot shall be less than 50% of the minimum lot size required in that district? 120 YES 53 NO.

**#5.** Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Change Article VII, Item G - Fees for building permits shall be \$25.00 per unit of principal use or addition thereto or \$10.00 for accessory building or deck? 116 YES 60 NO.

**#6.** Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town Zoning ordinance as follows: A Wetlands Conservation District Ordinance. The regulations of the Wetlands Conservation District are intended to guide the use of areas of land near surface waters or with extended periods of high water tables. This ordinance includes sections defining authority, purpose, use of wetlands, special exceptions, special provisions, and enforcement? 122 YES 52 NO

**#7.** Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To add a Planned Residential Development Ordinance. The purpose of which is to encourage reasonable flexibility in the development of land for residential purposes, to promote the most efficient use of land and to preserve significant natural and man-made features and open space in the design and development of residential projects. This Ordinance includes sections defining authority, purpose, standards and criteria and procedure. 109 YES 68 NO.

There are 445 registered voters on the Checklist.

There were 53 Absentee Ballots and 134 voters. Total of 187. Voters.

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday the Twenty-First day of March, next at 7:00 in the evening, to act upon the following Articles 3 through 36:

The meeting is called to order at 7:00 P.M.

The Moderator, Samuel Green announces that Article 32 will be acted on between Articles 18 & 19 as Articles 18 & 32 will be voted on by ballot. At that time we will take a break to count the ballots and all newly elected officers will come forward to be sworn in by the Moderator.

**Art. 3.** To see if the Town will vote to raise and appropriate the sum of \$86,560 to defray Town Charges for the ensuing year. Moved and seconded. Article 3 carries.

**Art. 4.** To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money in anticipation of taxes if necessary. Moved and seconded. Article 4 carries unanimously.

**Art. 5.** To see if the Town will vote to raise and appropriate the sum of \$3,500 to be added to the 1988 appropriation to cover the cost of the Town computer. Moved and seconded. Discussion follows. Article 5 carries.

**Art. 6.** To see if the Town will vote to raise and appropriate the sum of \$453.00 as its share for the support of the Monadnock Family and Mental Health Services. Moved and seconded. Article 6 carries.

**Art. 7.** To see if the Town will vote to raise and appropriate the sum of \$1,800.00 as its share for the support of the Home Health Care and Community Services. Moved and seconded. Article 7 carries.

**Art. 8.** To see if the Town will vote to raise and appropriate the sum of \$500.00 as a contingency fund for activities planned for the community by the Old Home Days Committee. Moved and seconded. Carol Clark reports for the Old Home Days Committee. In the past two years the money has not been needed & turned back to the Town. Article 8 carries.

**Art. 9.** To see if the Town will vote to raise and appropriate the sum of \$2,300 for the operation and maintenance of the Davis Library. Moved and seconded. Article 9 carries.

**Art. 10.** To see if the Town will vote to raise and appropriate the sum of \$200.00 for the operation of the Stoddard Conservation Commission. Moved and seconded. Article 10 carries.

**Art. 11.** To see if the Town will vote to authorize the Selectmen to apply for and accept gifts and/or State or Federal Aid in the name of the Town of Stoddard for the operation and legitimate expenditures of any appropriate Stoddard agency. Moved and seconded. Article 11 carries.

**Art. 12.** To see if the Town will vote to raise and appropriate the sum of \$594.00 as its share of the operating budget for the Southwest Solid Waste Management District, 149M. Moved and seconded. Motion carries unanimously.

**Art. 13.** To see if the Town will vote to raise and appropriate the sum of \$1,213.00 as its share of the operating budget for the Ashuelot Refuse Disposal District, 53-B. Moved and seconded. Brian Cartwright reports. Motion carries.

**Art. 14.** To see if the Town will vote to raise and appropriate the sum of \$43,000.00 for the operational expenses of the Trash Transfer Station and Town of Washington fees for the ensuing year. Moved and seconded. Motion carries.

**Art. 15.** To see if the Town will vote to instruct the Town's representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopt legislation that will permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine cooler and liquor containers and that all unclaimed deposit monies shall be collected by the State and no less than 80% shall be returned annually to local municipalities for the sole purpose of implementing, expanding and reimbursing community recycling projects. Submitted by petition. Moved and seconded. Discussion. Brian Cartwright explains HB 733 is being re-drafted and this is a non bearing vote. Motion carries.

**Art. 16.** To see if the Town will vote to authorize the Selectmen to sell by auction or by advertised sealed bid, properties acquired by the Town through Tax Collector's Deed in accordance with RSA 80:42. Moved and seconded. Article 16 carries.

**Art. 17.** To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in the Capital Reserve Fund established for the purpose of future land to house governmental facilities. Moved and seconded. Discussion: Charles Fosberry would like to propose a Capital Improvement Program when Art. 23 is presented. A motion to postpone Article 17 until Art. 23 is presented is accepted and carried.

**Art. 18.** To see if the Town will vote to raise and appropriate the sum of up to \$10,000.00 for the purpose of defraying costs to rebuild a home for Donald Curry. (The amount of monies collected in the Don Curry Building Fund to be deducted from the above requested amount on the floor at Town Meeting.) Moved and seconded. David Crocket reports the Committee does not need any more money thanks to the effort of Junie Blaisdell and the Southwestern Community Services. Article 18 is withdrawn.

**Art. 32.** To see if the Town will vote to raise and appropriate the sum of \$86,530.00 to rebuild the Stoddard end of Valley Road with the contingency that the Stoddard resident of **Highland Lakes Assoc.** shall agree to assume and pay through betterment assessments the remaining sum of \$43,265.00 and provided that the **Highland Lakes Association** will, following proper procedures, provide notice and to obtain the consent of its members to the proposed settlement, then the Town of Stoddard shall accept Valley Road, a private road, as a Town Highway, extending from the Stoddard Town line to existing turnaround next to the Korpreski property, on the condition that the Town be dropped as a party in the lawsuit, **Highland Lakes Assoc. v. Washington and Stoddard.** Submitted by petition. Moved and seconded. Discussion. Harry Power moves to amend Article 32 to change the amounts to raise and appropriate the sum of \$60,000 to rebuild the Stoddard end of Valley Road with the contingency that the Stoddard residents of Highland Lakes Assoc. shall agree to assume and pay through betterment assessments the remaining sum of \$30,000.00 and provided that the Highland Lakes Association will, following proper procedures, provide notice and to obtain the consent of its members to the proposed settlement, then the Town of Stoddard shall accept Valley Road, a private road, as a Town Highway, extending from the Stoddard Town line to existing turnaround next to the Korpreski property, on the condition that the Town be dropped as a party in the lawsuit, Highland Lakes Assoc. v. Washington and Stoddard. Seconded. Discussion follows. Sam Bradley, lawyer for Stoddard explains the Valley Road lawsuit and what has to be done. **2nd Amendment** by Barbara Cutting to change the wording to read: To see if the Town will vote to raise and appropriate the sum of \$60,000.00 to rebuild the Stoddard end of Valley Road with the contingency that the Stoddard residents of Highland Lakes Assoc. shall agree to re-imburse and pay thru betterment assessments the sum of \$30,000.00 with interest and provided that the Highland Lakes

Association will, following proper procedures, provide notice and to obtain the consent of its members to the proposed settlement, then the Town of Stoddard shall accept Valley Road, a private road, as a Town Highway, extending from the Stoddard Town line to existing turnaround next to the Kopreski property, on the condition that the Town be dropped as a party in the lawsuit, Highland Lakes Assoc. v. Washington and Stoddard. Seconded. The 1st Amendment tabled. A ballot vote on Art. 32 followed. The results were 68 YES 23 NO. Article 32 passes as amended.

Recess and swearing in of newly elected officers.

**Art. 19.** To see if the Town will vote to raise and appropriate the sum of \$500.00 for the operating budget of the Stoddard Zoning Board of Adjustment. Moved and seconded. Discussion. Article 19 carries unanimously.

**Art. 20.** To see if the Town will vote to raise and appropriate the sum of \$45,500 for winter and summer maintenance of Town Roads and Bridges. Moved and seconded. Harry Power breaks down the amounts to \$24,500.00 for Summer maintenance and \$21,000.00 for Winter maintenance. A total of approximately 13 miles of Town Roads. Article 20 passes unanimously.

**Art. 21.** To see if the Town will vote to raise and appropriate the sum of \$36,000.00: \$21,000.00 for emergency highway/bridge repair, gravel and sand; and \$15,000.00 for repairs to Shedd Hill Road. Moved and seconded. Discussion follows. **An Amendment** by Diane Duplissie to read: To see if the Town will vote to raise and appropriate the sum of \$21,000.00 for emergency highway/bridge repair, gravel and sand. Seconded. Amendment fails.

On a voice vote Article 21 as presented: To see if the Town will vote to raise and appropriate the sum of \$36,000.00: \$21,000.00 for emergency highway/bridge repair, gravel and sand; and \$15,000.00 for repairs to Shedd Hill Road passes.

**Art. 22.** To see if the Town will vote to authorize the Selectmen to borrow the sum of \$47,000.00 to be repaid over a period of 2 years for the repair and reconstruction of King's Highway from Route 123 to the end of the current pavement. Moved and seconded. Discussion follows. Charles Fosberry moves that Article 22 be tabled for a short time when he presents to the Town his Capital Improvement Program in Article 23. Seconded. Motion carries to table Article 22.

**Art. 23.** To see if the Town will vote to raise and appropriate the sum of \$51,130.00; \$16,130 as operating budget for the Stoddard Planning Board for the ensuing year; and \$35,000.00 for legal costs to be associated with the Pickerel Cove Lawsuit and resulting lawsuits by the Town of Stoddard against two insurance firms. Moved and seconded. **An Amendment** by Charles Fosberry to read: To see if the Town will vote to raise and appropriate the sum of \$33,630.00; \$18,630.00 as operating budget for the Stoddard Planning Board for the ensuing year; and \$15,000.00 for legal costs to be associated with the Pickerel Cove Lawsuit town actions against recovering costs from two insurance firms. It is understood that approval of this article authorizes the Planning Board to prepare and amend a recommended program of municipal capital improvement projects after

adoption of the master plan, as per RSA 674: 5,6,7, and 8. Seconded. Discussion follows. Article 23 carries unanimously as Amended.

**Art. 17.** Moved and seconded to take Article 17 off the table. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in the Capital Reserve Fund established for the purpose of future of land to house governmental facilities. Moved and seconded. Discussion. On a voice vote Article 17 fails unanimously.

**Art. 22.** Moved and seconded to take Article 22 off the table. To see if the Town will vote to authorize the Selectmen to borrow the sum of \$47,000.00 to be repaid over a period of 2 years for the repair and reconstruction of King's Highway from Route 123 to the end of the current pavement. Moved and seconded. Discussion follows. Article 22 carries.

**Art. 24.** To see if the Town will vote to raise and appropriate the sum of \$534.00 for membership costs to the Southwest Region Planning Commission for the coming year. Moved and seconded. Motion carries.

**Art. 25.** To see if the Town will vote to raise and appropriate the sum of \$2,016 for the operation budget of the Stoddard Fire Warden, to include the purchase of equipment and radio, for the ensuing year. Moved and seconded. Joe Sarcione reports. Article 25 carries.

**Art. 26.** To see if the Town will vote to raise and appropriate the sum of \$2,500 for the Selectmen to hire a licensed, competent firm to provide a fireworks display for the 4th of July Holiday. Moved and seconded. Discussion follows. On a voice vote Article 26 fails.

**Art. 27.** To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the operating budget of the Stoddard Police. Moved and seconded. Article 27 carries.

**Art. 28.** To see if the Town will vote to raise and appropriate the sum of \$9,895.00 for the operating budget of the Stoddard Fire & Rescue Department. Moved and seconded. Discussion follows. Article 28 carries.

**Art. 29.** To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be placed in the Capital Reserve Fund established for the purpose of a Pumper Tanker Vehicle. Moved and seconded. Discussion follows. Article 29 passes unanimously.

**Art. 30.** To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the purchase of two Minitors and 12 pairs of Bunker Pants for the Stoddard Fire & Rescue Department. Moved and seconded. Article 30 carries.

**Art. 31.** To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to donate to the Marlow Ambulance Service for the purpose of defraying their insurance costs. Moved and seconded. P.J. reports. Article 31 carries.

**Art. 33.** To see if the Town will accept Valley Road, a private road as a Town Highway, extending from the Stoddard Town line to existing turnaround next to the Kopreski property, on the condition that the Town be dropped as a party in the lawsuit, **Highland Lakes Assoc. v. Washington and Stoddard**. Submitted by petition. Moved and seconded to pass over this article being we already voted on this in Article 32. Voted unanimously to pass over Article 33.

**Art. 34.** To see if the Town will vote to transfer to the Stoddard School District any interest that the Town has in and to the abandoned roadway, known as the Old Town Road, to the extent the same passes through land of the Stoddard School District and to abandon said road as a Town road; further, to see if the Town will vote to receive from the Stoddard School District any alternative easements or rights of way that might be negotiated between the Selectmen and the School Board as consideration for the transfer of the abandoned roadway. Or take any other action in relation thereto. Moved and seconded. Discussion follows. Article 34 fails.

**Art. 35.** To see if the Town of Stoddard will send a message to the Legislature and Governor calling for a comprehensive toxic transition law requiring coordinated programs of planning, research and development, education, enforcement, and economics incentives to achieve toxic reduction by substitution with safer substances. Moved and seconded. Article 35 passes unanimously.

**Art. 36.** To transact any other business that may legally come before said meeting. A motion by Carol Clark that the Zoning Board of Adjustment members be elected by the townspeople at its annual Town elections. Sam Bradley (Town lawyer) states this cannot be done. Under this article anything of substance without proper notice to the townspeople cannot be voted on. The Moderator states we will vote on it anyway and if it's not binding we will be saying what our opinion is. Moved and seconded. Voted to elect the ZBA members by election.

Phil Hamilton asks the Selectmen when the Town will be re-appraised as money has been put aside for this the past few years. Harry Power said late October of 89.

Reed Desrosiers thanks the townspeople for their support to the Planning Board at the election this year and in the past.

No other business: Meeting adjourned at 10:15 P.M.

Respectfully Submitted,

Attest:

*Joan Read, Town Clerk*

**TOWN OF STODDARD**  
**Special Town Meeting**  
**June 26th, 1989**

You are hereby notified to meet at the Town Hall in said Stoddard on Monday, the Twenty-Sixth day of June next at 7:00 in the evening, to act upon the following subject:

To see if the Town will vote to correct a procedural defect in a vote taken at the annual Town Meeting in March 1989, on Article 22 in the warrant for said Town Meeting.

ARTICLE 22: To see if the Town will vote to authorize the Selectmen to borrow the sum of \$47,000.00 to be repaid over a period of 2 years for the repair and reconstruction of King Highway from Route 123 to the end of the current pavement. (2/3 vote is needed)

The Moderator calls the meeting to order at 7:00 PM. It was moved and seconded to accept Art. 22. Discussion follows. After discussion, the article was voted on by ballot. There were a total of 49 voters.

The results were: 31 YES 19 NO

A 2/3 vote is needed. ARTICLE IS DEFEATED. Meeting adjourned.

Respectfully submitted:

ATTEST:

Joan A. Read, Town Clerk

**PETITION OF THE SELECTMEN OF THE  
TOWN OF STODDARD FOR PERMISSION  
TO HOLD A SPECIAL TOWN MEETING**

**DECREE**

The above entitled Petition came before the Court for a hearing and the Court, having considered the evidence, finds that an emergencyt has arisen within the Town of Stoddard which may require an immediate expenditure of money.

It is hereby ordered, adjudged and decreed that the said Town of Stoddard is authorized to hold a Special Town Meeting on August 28, 1989 at 7:00 PM at the Stoddard Town Hall in Stoddard New Hampshire, for the purpose of acting upon the Article set forth in the accompanying Petition, and the Special Town Meeting shall have the same authority as that of an Annual Town Meeting.

The above approval is conditioned upon compliance with all statutory requirements relating to posting and notice which control such a Special Meeting.

This Decree is made solely for the purpose of permitting a Special Meeting to be held, and it is not to be construed or interpreted in any other manner or for any other purpose whatsoever.

**SPECIAL TOWN MEETING**

**August 28, 1989**

You are hereby notified to meet at the Town Hall in said Stoddard on Monday the Twenty-Eighth day of August next at 7:00 in the evening, to act upon the following subject.

To appropriate the sum of up to Forty-seven thousand (\$47,000.00) dollars for rebuilding and improvements on a section of Kings Highway from Route 123 to the end of the present asphalt surface, and to direct the Selectmen to borrow the funds necessary, on such terms as they deem advisable, over a two (2) year period.

Must be approved by 2/3 written ballot.

The meeting opened at 7:00 PM by Moderator, Robert Cowie. It was moved and seconded to accept the Article. Discussion follows. After lengthy discussion, the article was voted on by ballot.

There were a total of 75 voters. The results were: 46 YES 29 NO.

A 2/3 vote is needed. ARTICLE IS DEFEATED. Meeting adjourned at 8:20 PM.

Respectfully submitted,

Attest

Joan A. Read, Town Clerk

A notice of Insufficiency given to the Clerk to go on file against the Board of Selectmen, Town of Stoddard from: Gerald Bernier, Joseph T. Coughlin, Frank T. Stucky.

**ANNUAL**

**SCHOOL REPORT**

**TOWN OF**

**STODDARD**

**NEW HAMPSHIRE**

**1989**

**STATE OF NEW HAMPSHIRE  
STODDARD SCHOOL DISTRICT  
1990 School Warrant**

To the inhabitants of the school district of Stoddard qualified to vote in district affairs:

You are hereby notified to meet at the Stoddard Town Hall in said district on the 5nd day of March, 1990 at seven o'clock in the evening to act upon the following subjects:

1. To choose by nonpartisan ballot the following School District officials:
  - A. One School Board Member - 3 year term.
  - B. One Moderator - 1 year term.
  - C. One Treasurer - 1 year term.
  - D. One Clerk - 1 year term.
  - E. One Auditor - 1 year term.
2. To see if the District will vote to raise and appropriate \$364,100 (three hundred sixty four thousand one hundred dollars) for the purposes of design, construction and related expenses of additional classroom and support space at the James M. Faulkner Elementary School as per plans on file at the school district office c/o SAU #24, Henniker, New Hampshire; \$303,100 (three hundred three thousand one hundred dollars) to be raised by the issuance of bonds or serial notes in accordance with the provisions of RSA 33, terms and conditions of said bond to be established by the School board, and further to see if the District will vote to appropriate to the purposes set forth in this article the balance and any accumulated income, approximately \$61,000 of the Capital Reserve Fund established in March of 1987 for the purpose of constructing school facilities, and further to appropriate to the purposes set forth in this article any interest or income earned on the proceeds from the sale of bonds or notes, or to take any other action in relation thereto.
3. To see if the District will vote to raise and appropriate \$9,600 (nine thousand six hundred dollars) for the purposes of leasing one portable classroom and for the James M. Faulkner Elementary School, or to take any other action in relation thereto.

(NOTE: This article will be passed over if Article #2 passes.)
4. To determine and appoint the salaries of the School Board and fix compensation for any other officers or agents of the District, or to take any other action in relation thereto.
5. To see what sum of money the District will vote to raise and appropriate for the support of schools, and for the payment of salaries of School District officials and agents and for the payment of statutory obligations of the District, or to take any other action in relation thereto.
6. To hear the reports of agents, auditors and committees or officers chosen and pass any vote relating thereto.
7. To see if the District will vote to raise and appropriate \$40,000 (forty thousand dollars) to add to a Capital Reserve Fund established in 1987 to

be used for the financing of all or part of the construction of school facilities needed in the future, or to take any other action in relation thereto.

8. To see if the District will vote to authorize the School Board to apply for, accept and expend without further action of the School District meeting, money from any source which becomes available during the fiscal year upon the following conditions:

a. The money must be used for the legal purposes for which the School District can appropriate money.

b. The School Board must hold a public hearing on the action taken.

c. It shall not require the expenditure of additional School District funds.

This action is taken pursuant to the authority of RSA 198:20-b, or to take any other action in relation thereto.

9. To see what action the District will take in regard to the following resolution:

We the residents of the Stoddard School District find the State of New Hampshire to be negligent in the funding of Public Education, thus creating an undue burden on the local property taxpayers. We demand that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing State aid to education.

10. To transact any other business that may legally come before said meeting.

Given under our hands at said Stoddard this \_\_\_\_\_ day of \_\_\_\_\_ 1989.

**NOTE:** This is a draft of the proposed warrant submitted for printing purposes prior to the actual deadline for completion of the warrant. Please consult officially posted warrants for the finalized version.

## SCHOOL BOARD REPORT

The public is invited to attend our meetings on the second Wednesday of each month. Each meeting opens with "Public Comment" at 6:30 p.m., this is an opportunity to share ideas and opinions of a general nature. Matters of a more specific nature should be brought to the attention of a school board member ahead of time so the issue can be placed on the agenda for thorough discussion.

Our school staff includes some new faces as well as some familiar ones. Nancy Siekierski returned this year as a half-time teacher working with the special needs of some of our students. Carol Clark also returned as a teacher aide working with all levels of students. Phyllis Sawyer returned in her positions as custodian and breakfast cook. Betty Weaver and Donna Hamilton continue to safely transport the students to and from school each day. New this year are Carolyn Ekstrom and Mark LaFleur. Both experienced teachers brought with them a variety of extra skills and talents that have proven to be assets in the classroom. We are fortunate to have such a great group of people working with the children each year.

Other members of the school team are: Mary Conklin, volunteer physical education instructor; Karen Describers, music instructor; Eve Kenyon, art instructor; and Carol Hill, school nurse. The "Artists in the School" program provided the students an opportunity to work with some very talented local artists. Emile Birch returned this year to continue his work in clay wire and wood sculpture. Purly Gates helped the students to create both music and musical instruments. We all enjoyed an evening at the Town Hall when the students demonstrated their projects as well as presented the town with a wonderful clay mural of Stoddard.

The Spring of 1989 was especially difficult for the students, staff, families, and friends of Mrs. Barbara Cutting. Her passing away was deeply felt by all that were involved in the school. Her energy and organizational skills resulted in many extra activities and grants providing special programs for the school.

A building project that included 2 new classrooms and a large multipurpose room was proposed and then rejected by the voters last Spring. The need still exists especially for the classroom space, and that will be proposed again this year. The portable classroom provided the space that was needed, but it is a temporary, inefficient (rented) solution to the problem. We hope that you will support the "classrooms only" building project. Many thanks to all that worked so long and hard on the building committee and also to all the townspeople that came to both the hearing and annual meeting to ask your questions, share your opinions, and cast your vote.

The board would also like to thank the many people that have attended our meetings to bring issues to our attention and share ideas. We would also like to thank our new Assistant Superintendent, Helene Bickford, who has shown tremendous support and interest in the James M. Faulkner Elementary School. Her tireless efforts have resulted in more support for

our staff, developing a student handbook, a clearly defined policy manual, as well as working closely with the building committee.

Respectfully submitted,

*Nancy Cressy, James Taylor, Nancy Murray*  
Stoddard School Board

### TEACHER'S REPORT

Last spring the staff and students at the James Faulkner Elementary School experienced the untimely death of their colleague and teacher, Barbara Cutting. Many bulbs, plants and flowers as well as a tree were planted at the school in Mrs. Cutting memory. A plaque was given to the school by Melissa Capen with a picture of Mrs. Cutting. It is hanging in the main building. Priscilla Owen filled in as 4th and 5th grade teacher and Nancy Siekierski as administrative assistant until the end of the school year. The students enjoyed many special events in the spring, among them several educational field trips. They visited the Boston Museum of Science, the Audubon Center, the State Capital and the Northfield Environmental Center. The school year concluded with a Graduation Program at the town hall and a family picnic, cookout and game day at the school.

The Artist in Residence Program which is jointly funded by the New Hampshire State Council on the Arts and the National Endowments for the Arts was funded again for the 1989/1990 school year. The students will be working with sculptor Emile Birch and songwriter Purly Gates. Emile Birch will be working with a group of students to complete a three dimensional sculpture. It will be hung permanently in the Town Hall for all to enjoy. This project is a result of a mentorship grant that was awarded through the Governor's Initiative for Gifted Education and will be unveiled in December 1989.

This fall, 1989 two new teachers were hired. Carolyn Ekstrom from Claremont is teaching grades 1 and 2. She has a strong background in reading, plus 15 graduate credits in reading. She has had a considerable amount of experience working with young children. Mark LaFleur from Jaffrey is now teaching grades 3, 4, and 5. He is a graduate of Franklin Pierce College in Rindge. He has five years experience teaching the upper grades levels. He also has been involved with Project SOAR. Nancy Siekierski has changed teaching positions. She is now the half-time Special Needs teacher replacing a teacher consultant and an aide. Other staff have continued and are essential to the success of the school.

We thank the school board, parents, and the townspeople for their support through a difficult transition.

## SCHOOL NURSE REPORT

1989

During the 1988/89 school year, all students received health screenings for height and weight, vision and hearing. In addition, all fourth and fifth grade students were screened for scoliosis. Parents were notified if further exam by the family physician was indicated.

Health classes were given to fourth and fifth grade students on drugs, drug abuse and adolescence. The primary grades had a class on physical fitness and exercise.

At each school visit, the students were checked for head lice and sent home if found to have lice.

Respectfully submitted

*Carol M. Hill, R.N.*

School Nurse

**MINUTES**  
**ANNUAL MEETING STODDARD SCHOOL DISTRICT**  
**1989**

The 1989 School Warrant Meeting opened at the Stoddard Town Hall on March 2, 1989, 8:04 P.M. The Substitute Moderator, Doug Kidd, opened the meeting inasmuch as Dan Eaton had spinal surgery two weeks ago and was unable to be present. Brenda made a motion to leave the polls open until 9:00 P.M., or the end of the meeting, whichever comes first. Jim seconded the motion. Moderator Kidd read Article 1.

**Article 1.** To choose by nonpartisan ballot the following school district officials:

- A. One School Board Member - 3 year term
- B. One Moderator - 1 year term
- C. One Treasurer - 1 year term
- D. One Clerk - 1 year term
- D. One Auditor - 1 year term

At the Moderator's suggestion, voting was withheld, and Article 2, the Bond Article was presented, because it too was to be voted by ballot.

**Article 2.** I move that the District vote to raise and appropriate \$585,000. (five hundred eighty-five thousand dollars) for the purpose of design, construction and related expenses of additional class room and support space at the James M. Faulkner Elementary School: \$565,000. (five hundred sixty-five thousand dollars) to be raised by the issuance of bonds or serial notes in accordance with the provisions of RSA 33 and further to see if the District will vote to appropriate to the purposes set forth in this article the balance and any accumulated income, approximately \$20,000. of the Capital Reserve Fund established in March of 1987 for the purpose of constructing school facilities, and further to appropriate to the purposes set forth in this article any interest or income earned on the proceeds from the sale of bonds or notes. Motion was made by Jim and seconded by Brenda. Brenda described how the new figure of \$585,000. was arrived at, rather than the \$700,000. originally requested. (See handout attached). She also explained the 10, 15, and 20 year bonds. Questions from the floor regarding the number of students vs teachers. Helene described the State Standards for Elementary Schools. The multi-purpose room was discussed. It is not going to be for adults for sports activities; it will be a room accepted by the State Standards for the Elementary children. Elementary School Standards was explained and discussed. Voting was then held. Voting was finished at 9:30 P.M. Since the ballots could not be counted until 9:55 P.M., the meeting resumed with articles not pertaining to the outcome of Article 2.

**Article 4.** I move that the district vote to receive from the Town of Stoddard all the rights in the Old Town Road, so called, an abandoned town road that passes through the school district land in Stoddard, and to authorize the school board to convey to the Town of Stoddard, upon such terms and conditions as the selectmen and the school board may agree, an alternative easement or right of way as consideration for the transfer of the abandoned Old Town Road. Brenda made the motion. Miner seconded. Motion carried.

**Article 5.** I move that the district set the salaries of the school board and the compensation for any other officers or agents of the district as printed in the annual report. Nancy Cressy made the motion, Jim Taylor seconded. After a short discussion, the motion was carried.

**Article 7.** I move that the district approve the reports of agents, auditors and committees or officers chosen as printed in the annual report. Nancy made the motion, Jim seconded. No discussion. Motion carried.

**Article 9.** I move that the district vote to raise and appropriate the sum of \$29,843. (Twenty-nine thousand eight hundred forty-three dollars) as a deficit appropriation for the 1988/89 school year, said amount to cover unanticipated costs incurred in the hiring of an additional teacher and teacher aide and in additional transportation costs. Brenda read the motion, Lou GrandPre seconded. Discussion followed as to the reason for the large deficit; Helene explained the amounts and categories as coming from the teachers salary, aide, special education, custodial, electrical and transportation facilities. The vote required a show of hands. For: 23. Against: 20.

**Article 10.** I move that article 10 be approved as printed. Article on Warrant; to see if the district will vote to authorize the school board to apply for, accept and expend without further action of the school district meeting, money from any source which becomes available during the year upon the following conditions:

- a. The money must be used for the legal purposes for which the school district can appropriate money.
- b. The school board must hold a public hearing on the action taken.
- c. It shall not require the expenditure of additional school district funds.

This action is taken pursuant to the authority of RSA 198:20-b, or to take any other action in relation thereto. Jim read the motion; seconded by Joan Read. Motion carried with no discussion.

**Article 11.** I move that the district will vote to indemnify and save harmless from loss or damage any person employed by the school district and any member or officer of its governing board or administrative staff from personal financial loss and expense, including reasonable legal fees and costs, if any, arising out of any claim, demand, suit, or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property in accordance with the provisions of RSA 31:105. Nancy read the motion; Melvin Gibbs seconded. No discussion; motion carried.

At 10:07 P.M., the votes on article 2 were counted. Eighty-four (84) votes were cast; 39 for the bond for \$585,000. and 45 against.

Moderator Kidd then returned the meeting to the remaining motions before the voters.

**Article 3.** I move that the district vote to raise and appropriate \$11,700. (eleven thousand seven hundred dollars) for the purpose of leasing one portable classroom and for the purchase of a moveable class room wall for the James M. Faulkner Elementary School. Motion made by Nancy;

seconded by Jim. After some discussion, the motion was carried.

**Article 6.** I move that the district vote to raise and appropriate the sum of \$463,744. (four hundred sixty-three thousand seven hundred forty-four dollars) for the support of schools, and for the payment of salaries of school district officials and agents and for the payment of statutory obligations of the district. Jim read the motion; seconded by Brenda. After some discussion as to the reason for lowering the amount, the motion was carried.

**Article 8.** I move that the district vote to raise and appropriate the sum of \$10,000. (ten thousand dollars) to add to a Capital Reserve Fund established in 1987 to be used for the financing of all or part of the construction of school facilities needed in the future. Nancy read the motion; seconded by Brenda. After discussion, a new motion was made by Charlotte Pratt to read: I move that the district vote to raise and appropriate the sum of \$40,000. (forty thousand dollars) to add to the Capital Reserve Fund established in 1987 to be used for the financing of all or part of the construction of school facilities needed in the future. The motion was seconded by Melvin Gibbs. There being no discussion on the new motion, the moderator called for a vote. Motion carried.

**Article 12.** To transact any other business that may legally come before said meeting. There was no other business. Brenda Bryer was given a round of applause for her years serving the school district as a School Board Member.

There being no other business, the Moderator declared the meeting adjourned at 10:27 P.M.

Results of the balloting:

<b>Moderator for 1 year</b>	<b>50 votes cast</b>
Daniel Eaton	35
Samuel Green	4
Doug Kidd	6
